CALCO can get you there on time...every time
Professional men know the importance of being on time. Doctors know their time is valuable, serving patients. Salesmen know it is valuable, serving customers.
How you get there—on time—is your problem. But it shouldn't be a problem at all; and that's where Colonial Auto Leasing Corp. may help.
When you lease a car from CALCO, you're really never without a car. If your car needs service, we give you one until yours is ready. No waiting. No worry.
With CALCO you may arrange terms of your lease that cover all the problems you face in owning a car . . . titling, taxes, stickers and even maintenance. One monthly tax-deductible payment can cover it all. You choose the car, the terms, the lease.
Just like a good doctor, we're available when needed. Delivery is fast and efficient.
